THE BANK:

Established in 1964, the African Development Bank (AfDB) is the premier pan-African development institution, promoting economic growth and social progress across the continent. There are 80 member states, including 26 in Asia, Europe and America (Non-Regional Member Countries). The Republic of Korea is one of the most active and generous member of the African Development Bank. The Bank's development agenda is delivering the financial and technical support for transformative projects that will significantly reduce poverty through inclusive and sustainable economic growth. In order to sharply focus the objectives of the Ten Year Strategy (2013 – 2022) and ensure greater developmental impact, five major areas (High 5s), all of which will accelerate our delivery for Africa, have been identified for scaling up, namely; energy, agro-business, industrialization, integration and improving the quality of life for the people of Africa.

AFDB-KOREA SPECIAL INTERNSHIP PROGRAM:

In 2016, the Republic of Korea and the African Development Bank agreed to set up a special internship program to provide talented young people from Korea with an opportunity to work at the Bank. The Program has helped young Koreans to better understand Africa and contribute to enhancing the relationship between Korea and Africa despite the geographical gap. Participants in the Program are selected on a competitive basis, based on business needs of the Bank. The African Development Bank therefore invites qualified young Koreans with a passion for development to apply for the 2019 internship program. Interviews will be conducted on either 19th or 20th November 2018 in Seoul and the best seven (7) candidates who meet the eligibility criteria will be selected for the internship program, which will commence in March/April 2019.

Objectives:

The broad objectives of the program are to:

- Provide students with an opportunity to acquire professional and practical experience at the African Development Bank.
- Provide the Bank with a pool of potential candidates for future recruitment purposes.

However, applicants should not expect the internship to lead to immediate employment with the Bank.

Terms and conditions:

- The fields of study from which interns are selected must be within the job families of the Bank, particularly Economics, Agriculture, Private Sector Development, Human Capital Development (Education and Health),
