

3rd

Global ODA Forum for Sustainable Agricultural Development

Inclusive Growth and Global Partnership

The Plaza Seoul Hotel, Grandballroom
13 (Mon)~15 (Wed) May 2019

Host :

Ministry of Agriculture,
Food and Rural Affairs

Organizer :

KREI Korea Rural Economic Institute

Animal and Plant
Quarantine Agency

Korea Rural Community
Corporation

Korea Agency of Education, Promotion and Information
Service in Food, Agriculture, Forestry and Fisheries

Korea Institute for Animal
Products Quality Evaluation

Ban Ki-moon Institute
for Sustainable Development

Sponsor :

FAO KOREA
Korea FAO Association

Invitation from the Minister

The Ministry of Agriculture, Food and Rural Affairs of the Republic of Korea (MAFRA) will host the Third Global Forum for Sustainable Agricultural Development under the theme of “Inclusive Growth and Global Partnerships” together with the Korea Rural Economic Institute (KREI), Animal and Plant Quarantine Agency (APQA), Korea Rural Community Corporate (KRC), Korea Agency of Education, Promotion and Information Service in Food, Agriculture, Forestry and Fisheries (EPIS), Korea Institute for Animal Products Quality Evaluation (KAPE) and Ban Kimoon Institute for Sustainable Development.

Based on the experience of Korea’s agricultural and rural development, MAFRA has been promoting a variety of ODA projects to participate in the efforts of the international community to eliminate hunger. In particular, it has been implementing multi-bilateral projects with international organizations that acquired specialties through long history and experiences, and is strengthening cooperative relationships.

As part of the efforts, the Forum invites participants from 12 international organizations including Food and Agriculture Organization of the United Nations (FAO), International Fund for Agricultural Development (IFAD), World Food Programme (UN WFP), African Development Bank (AfDB), World Bank (WB), International Rice Research Institute (IRRI), Grow Asia, International Center for Biosaline Agriculture (ICBA), Asian Development Bank (ADB), International Livestock Research Institute (ILRI), United Nations Development Programme (UNDP) and International Food Policy Research Institute (IFPRI) to provide a venue where all interested participants share their insights and communicate with each other.

I believe this Forum will serve as a place to seek for opportunities for future cooperation between Korean agencies in the field of agriculture and livestock and international organizations, and at the same time, it will be a meaningful venue to identify the flow of inclusive growth which is currently discussed among the international community.

The Forum is open to everyone, and I look forward to your interest and participation in the Forum.

Thank you.

LEE Gae-ho, Minister of Agriculture, Food and Rural Affairs

A handwritten signature in black ink, appearing to be the name 'LEE Gae-ho' in a stylized, cursive script.

Overview of the Global ODA Forum

The Ministry of Agriculture, Food and Rural Affairs has been contributing to the international community through implementation of ODA projects in the field of agriculture and livestock. In particular, it has been facilitating communication between ODA stakeholders and sharing key project outcomes since 2017 through the Global ODA Forum.

The First Forum in 2017 was held under the theme of “The Present and Future of Development Projects and Strategies to Achieve Sustainability”, and this venue of discussion was expanded in the Second Forum co-hosted by IFAD in 2018 under the theme of “Sustainable Agricultural Development in International Setting: Cooperative’s Role and Prospect”.

This year’s Global ODA Forum will prepare a place for 12 international organizations leading the global agriculture and livestock areas and related Korean agencies to gather and share their experience and knowledge under the theme of “Inclusive Growth and Global Partnership”.

MAFRA’s ODA Projects

MAFRA of the Republic of Korea is promoting various forms of ODA projects in order to contribute to sustainable agricultural development by transferring Korea’s experience in agricultural and rural development.

Planning and Cooperation Project

The Project provides supports by providing agricultural infrastructure and equipment, management training and capacity building programs for a mid and long-term period of three to five years.

KAPEX Program for Partner Countries

The Korea Agricultural Policy Experiences for Food Security program is an agricultural policy consulting program that provides joint inspection, invitational training and workshops to three partner countries every year to identify new ODA projects

Multi-Bilateral Projects

In cooperation with international organizations, including FAO, IFAD, ADB and UN WFP, the projects provide supports such as providing agricultural technical guidance and improving distribution system.

Progress of MAFRA’s ODA Projects

- 2011** Established and started operation of the Global Agricultural and Forestry Cooperation Council to strengthen project connectivity and cooperation of agricultural ODA related agencies
- 2012** Reorganized projects to mid and long-term planning and cooperation projects as well as cooperation projects with international organizations
- 2013** Newly established the Korea Agricultural Policy Experiences for Food Security (KAPEX) Program for partner countries
- 2014** Reinforced projects by preparing systematic measures for ODA cooperation and internal assessment guidance
- 2015** Implemented public-private partnership ODA projects for private enterprises to enter overseas markets
- 2017** Carried out on-site inspection for the ODA projects and hosted an international conference with international organizations and seven Asian partner countries
- 2018** Identified public-private partnership projects by hosting Overseas Business Council, and hosted an international conference with international organizations and seven Asian partner countries

Program and Agenda

DAY 1 13(Mon) May 2019

09:00 ~ 09:40	Opening Remarks	LEE Gae-ho (Minister, MAFRA)
	Welcoming Remarks	KIM Chang-gil (President, KREI)
	Congratulatory Remarks	BAN Ki-moon (Former Secretary General, United Nations) SEONG Kyoung-ryung (Chairman, National Research Council for Economics, Humanities and Social Sciences) KIM In-sik (President, Korea Rural Community Corporation)
09:40 ~ 10:00	Photo Session & Korea ODA Introducing Video	
Part 1 Keynote Speeches		
10:00 ~ 11:00	José Graziano da Silva (Director General, FAO)	
	Gilbert F. Hougbo (President, IFAD)	
	David Beasley (Executive Director, UN WFP)	
11:00 ~ 11:10	Break	
11:10 ~ 12:10	Ismahane Elouafi (Director General, ICBA)	
	Sean de Cleene (Member of Executive Committee, World Economic Forum)	
	Matthew Morell (Director General, IRR)	
12:10 ~ 13:30	Luncheon	

Part 2 (13:30 ~ 15:30)

I Session 2-1 FAO	Climate Services for Farmers: Advancing National Weather and Climate Information Systems for use in Agriculture	Hideki Kanamaru (Climate Change Officer)
	Green Jobs for Youth: Adapting to Climate Change through Green Enterprises and Creating Jobs for Rural Youth	Peter Wobst (ESP Team Leader)
	Sustainable Agricultural Mechanization – A Global Perspective	Josef Kienzle (AGP Team Leader)
I Session 2-2 IFAD	IFAD Regional Grant: “Sustainable Farming in Tropical Asian Landscapes” (SFITAL)	Fabrizio Bresciani (Regional Economist)
	Enabling the Digital Transformation of Small-holder Agriculture in Southeast Asia: Bringing the Transformation of Asia’s Smallholders to the Next Level	
15:30 ~ 15:50	Break	

Part 2 (15:50 ~ 17:50)

I Session 2-3 UN WFP	Serving the Most Vulnerable with Food Assistance	Annalisa Conte (Country Director, Kenya Country Office)
	Tackling the Root Causes in WFP’s Development Projects – Using Korea’s Experience as a Model for Achieving Zero Hunger	Stanlake Samkange (Senior Director, Strategic Coordination and Support)
I Session 2-4 AfDB	Promoting Digital Solutions for Agricultural Transformation In Africa: FEED AFRICA – ICT4AG PILOT PROJECTS	Mariam Paiko Yinusa (Principal Financial Economist) Mabaya Edward (Division Manager, Agribusiness Development Division)
	Support for the Development of Agri Parks in South Africa	Oyebanji Oyelaran–Oyeyinka (President’s Special Advisor on Industrialization) Olagoke A. Oladapo (Division Manager, Rural Infrastructure Development Division) Chukwuma Ikechukwu Ezedinma (Principal Agroindustry Economist, AHFR2)

Program and Agenda

DAY2 14(Tue) May 2019

08:00 ~ 08:30

Registration

Part 3 (08:30 ~ 10:30)

I Session 3-1 WB EPIS	Livestock Development Project in Mongolia	Sitaramachandra Machiraju (Senior Water and Sanitation Specialist)
	New Opportunities in Agriculture of Kazakhstan and Uzbekistan (Central Asia)	Sergiy Zorya (Lead Agricultural Economist)
	Strategy to Strengthen International Cooperation with the Adoption of Smart Farm System: With the PPP Project Case in Philippine	Youngki Hwang (International Cooperation Team Leader)
I Session 3-2 IRRI	Development and Deployment of Irrigation Advisory Service Using IoT-based AutoMon ^{PH} Tool for Sustainable Water Management at the Landscape Level in the Philippines	Sudhir Yadav (Research Program Leader, Environmental Sustainability)
	Rice Crop Manager: Scale and Dissemination of Digital Tool Promoting Environmental Sustainability, Increased Incomes and Yields through Nutrient Management in Indonesia	Carolyn Florey (Leader, Technology for Development)
10:30 ~ 10:50	Break	

Part 3 (10:50 ~ 12:50)

I Session 3-3 Grow Asia	Grow Asia: Partnerships for Inclusive Sustainable Agriculture	Grahame Dixie (Executive Director)
	Digital Program—accelerating Digital Tools for Small Holders in ASEAN	Paul Voutier (Director, Knowledge and Innovation)
	Special Session : Electronic Certification and Global Trade Facilitation	Craig Fedchock (UNICC)
I Session 3-4 ICBA	Smart Farming Technologies for Food and Nutrition Security	Seta Tutundjian (Director of Programs)
	Quinoa: A Nutritious Climate-smart Crop for Marginal Environments	Rakesh Kumar Singh (Section Head/Program Leader, Crop Diversification and Genetics)

12:50 ~ 14:00

Luncheon

Part 4 (14:00 ~ 16:00)

Session 4-1
 ADB

 ADB's Investments for Sustainable
 Agriculture Development in Southeast Asia

Jiangfeng Zhang
 (Director, Southeast Asia
 Department)

 Climate-Smart Horticulture Value Chain
 Infrastructure Project in Viet Nam

Hyunyoung Song
 (Natural Resources and
 Agriculture Specialists)

 Education for High-Tech Knowledge
 Intensive Agriculture

Sungsup Ra
 (Director, South Asia Department)

Session 4-2
 ILRI

Livestock Roles in Addressing SDGs

Hung Nguyen-Viet
 (Regional Representative,
 Southeast Asia)

Food Safety and Zoonoses

Delia Grace Randolph
 (Program Manager, Animal and
 Human Health)

 Strengthening Capacities for Improving
 Human and Animal Health in Southeast Asia
 Using a One Health Approach

Husuk Lee
 (Veterinary epidemiologist)

16:00 ~ 16:20

Break

Part 4 (16:20 ~ 18:20)

Session 4-3
 UNDP
 KRC

Climate Smart Agriculture for Environment

Yusuke Taishi
 (Climate Change Adaptation and
 Regional Team Leader)

 Irrigation System with Eco-friendly Energy
 (Solar Power)

Bongkyun Kim
 (Deputy Director)

Session 4-4
 IFPRI

 Next-Generation Agricultural Production
 Information for Enhanced Monitoring of Food
 Security

Channing Arndt
 (Director, Environment and
 Production Technology Division)

 Improving Horticultural Value-Chain: Women
 and Youth Farmer Groups and Supermarkets
 Vertical Linkages in Southeast Asia

Jawoo Koo
 (Senior Research Fellow,
 Environment and Production
 Technology Division)

3rd Global ODA Forum

for Sustainable Agricultural Development

Registration

How to register

- **Online Registration** : <http://www.krei.re.kr/kapex/index.do>
- **Telephone & Inquiry** : 02-332-3155 (Office Hour 09:30~18:30)
- **Pre-registration Closing** : 10th May 2019 (Fri)

Information

- You can register on-site.
(Business cards can replace the registration form)
- Lunch will be provided to pre-registered participants
- Participation is free of charge
- Please use public transportation as it may be crowded around the venue.
